Pierre-marie Tshilolo

FRONT-END DEVELOPER

As an aspiring junior developer, creative, meticulous , presevering.
I am passionate about frontend coding and designing that are both visually stunning and intuitive.
I am eager to start my professional career in the field of development.

EXPERIENCE

WEB DEVELOPER WEB JYOTI, GURGAON INDIA
Oct 2021 – Feb 2022

Promotion of brand identity and creation of posters for company logo events.
Creation of content, graphics and designing images, icons, banners and enhancements. Adept to utilizing database technology such as SQL.
Ability to effectively communicate ideas and collaborate with colleagues during these meetings underscores my commitment to professional development and the pursuit of excellence in our collective work.

VOLUNTEER ROTARY INTERNATIONAL CLUB, INDIA
Jun 2016 – Dec 2016

Support for the organization and planning of events for up to 50 people organized by Rotary.
Maintain the environment clean, neat and operational facilities to meet program needs.
